McGrath Avalon Carols at the Beach is a special Christmas event for the Pittwater Community, raising funds for Avalon Beach Surf Life Saving Club.

This year, McGrath Avalon Carols at the Beach will be held at the southern end of the Avalon Beach SLSC Clubhouse on Saturday, 8th December 2018 from 4.30pm till 9.00pm.

Jubilation Choir (which will perform at Carols in the Domain the following week) will entertain us and lead the carol singing. JUBILATION was formed in 1993 by world renown singer Joy Yates, as a platform to develop emerging vocal talent with intensive harmony and performance training. This extraordinary, contemporary, jazz/gospel vocal group is no ordinary choir. Watch some of their amazing performances [here](#) _

A well-known celebrity will host the show as Master of Ceremonies. Previous MC's include Terry Willesee and Mike Munro.

Avalon Beach SLSC has hosted a Carols event at the beach since 2014.

The night has been an outstanding success on every occasion, and is growing every year.

The event is typically attended by 3000 - 5000 people. It is wonderful night where families, friends and neighbours from Pittwater and beyond come together to celebrate the spirit of Christmas by singing in Carols into the night.

Of course Santa Claus makes a visit, but also many characters in fancy dress such as Batman, Frozen Elsa and Anna, Spider-Man and Captain America. There is also an enticing and diverse market style Food Fair with over 16 stalls to serve the hungry attendees. The night concludes with a spectacular fireworks display over the ocean.

McGrath Avalon Carols at the Beach 2018

McGrath Avalon Carols at the Beach brings together the entire Northern Beaches Community to celebrate Christmas and ensures a peaceful, fun evening for all ages.

Importantly, this event supports The Avalon Surf Life Saving Club fund raising efforts to replace old and damaged Surf Rescue Boards, training boards and nipper boards.
