McGrath Pittwater Carols at the Beach is a special Christmas event for the Pittwater Community, raising funds for Avalon Beach Surf Life Saving Club.

This year, McGrath Pittwater Carols at the Beach will be held at the southern end of the Avalon Beach SLSC Clubhouse on Saturday, 9 December 2023 from 4.00pm till 9.00pm.

Jubilation Choir (which has performed many times at Carols in the Domain) will entertain us and lead the carol singing. JUBILATION was formed in 1993 by world renown singer Joy Yates, as a platform to develop emerging vocal talent with intensive harmony and performance training. This extraordinary, contemporary, jazz/gospel vocal group is no ordinary choir.

Avalon Beach SLSC has hosted a Carols event at the beach since 2014.

The night has been an outstanding success on every occasion, and is growing every year.

The event is typically attended by 3000 - 5000 people. It is wonderful night where families, friends and neighbours from Pittwater and beyond come together to celebrate the spirit of Christmas by singing in Carols into the night.

Of course Santa Claus makes a visit, and brings with him a few special guests to join in the fun. It's always a secret but previous Carols have seen Frozen Elsa and Anna, Spider-Man, Paw Patrol and Bluey join in the fun. There is also an enticing and diverse market style Food Fair serving the hungry attendees. The night concludes with a spectacular fireworks display over the ocean.

McGrath Pittwater Carols at the Beach 2023

McGrath Pittwater Carols at the Beach brings together the entire Northern Beaches Community to celebrate Christmas and ensures a peaceful, fun evening for all ages.

With unprecedented numbers of visitors anticipated this summer, this event supports The Avalon Beach Surf Life Saving Club fund raising efforts to replace emergency rescue equipment.

In association with McGrath Pittwater Carols at the Beach, the Christmas Silent Auction will also raise vital funds for surf life saving rescue equipment
