4. Unsuccessful nominations for Avalon Beach SLSC Service Honours Awards may be re-nominated for consideration after two (2) years.

How to Nominate

- The nomination must establish and argue the case for the Service Honours Award envisioned by the proposer and seconder.
- The proposer is to summarise the nominee's personal achievements that have impacted on Avalon Beach SLSC.
- It is important that the nomination is specific to the nature of the individual's achievements apart from that of a group.
- The nomination should provide substantive evidence to support the claims.

NB – A list of roles that an individual has held is insufficient in demonstrating the significance of that individual's service. The Life Members and Service Honours Committee may return a nomination to the proposer if it feels that a lack of detail may be prejudicial for the nominee.
