

AVALON BEACH SURF LIFE SAVING CLUB

TEL: 9918 3298
avalonbeachslsc.com.au

Welcome to Avalon Beach Surf Life Saving Club

We have around 1100 members including more than 225 Patrolling members, 400 Nippers and more than 360 General and Associate members. Our primary role is to ensure the safety of beach goers on weekends and public holidays, by placing red and yellow flags at the safest place to swim on our beach and providing qualified Surf Lifesavers to patrol the beach.

We are a family based Club and maintain strong links across the local community. Our youth development programs provide education, training, fitness and entertainment to our young members. We aim to enjoy ourselves while undertaking responsible community service by having Sunday morning surf races, Club training and social events throughout the year.

Welcome to the Bronze Course

During this course you will gain knowledge in life saving techniques, teamwork and problem solving that you will be able to call upon within all walks of life.

Once you have obtained the Bronze Medallion, you will be presented with a red and yellow patrol uniform and allocated to a patrol group. From here, there will be a wide range of opportunities available to you within Surf Life Saving such as:

- Patrolling our beach
- Further courses (IRB Crew/Driver, Silver Medallion, and much more).
- Surf sports
- Nipper water safety / Age manager

Course Communication

During your training we will communicate primarily through WhatsApp to organise locations for training and what to bring so you are fully prepared.

Training Schedule

This is a guide and adjustments may be made due to weather and surf conditions, communicated with you prior to training.

Induction:	Sunday 20 th October 11am at Avalon Beach Surf Club
Training Start:	Sunday 20 th October 11am at Avalon Beach Surf Club
Training:	Sunday Mornings 11am-1pm Some Wednesday Evenings 6/7pm-9pm
Assessment:	Sunday 8 th December 11am at Avalon Beach Surf Club
Lead Trainer/s:	Michael Stanley-Jones

Note, you need to attend all training sessions to be put forward to assessment. If you miss a session, please organise additional catch up or assistance from trainers.

Course Aim

The aim of this course is to provide participants with skills and knowledge related to surf awareness, aquatic rescue operations, radio operations, resuscitation, emergency care, spinal management, communication, teamwork and Surf Life Saving patrol operations. This award includes and builds upon the SLSA Surf Rescue Certificate, and it is the prerequisite award for many other SLS pathway awards.

What will I get out of it?

By the end of the course you will have obtained the following qualifications:

- Bronze Medallion
- Advanced Resuscitation Certificate
- First Aid Certificate

Course Prerequisites

- Be a financial member of an SLS club
- Be at least 15 years of age on the final assessment date
- Complete an unaided swim of 400 m in 9 minutes or less (goggles and masks permitted)

Detailed Session Outline

There is an online learning component which must be completed before the patrol day.
